Percent of expenditures for teacher salaries*	62.2%	Up from 60.8%	65.3%	64.2%
% of AYP objectives met	82.4%		92.3%	85.7%

* Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	26	50	40
Percent satisfied with learning environment	100.0%	92.0%	89.7%
Percent satisfied with social and physical environment	100.0%	88.0%	92.5%
Percent satisfied with school-home relations	100.0%	98.0%	85.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

We had another great year at Heath Springs Elementary School. Heath Springs Elementary School, along with involved families and a supportive district administration, is able to offer learning experiences that prepare our children to be unique, independent, and responsible citizens. The state standards serve as a guide as we make plans to meet the individual needs of every child.

As we move through the halls of our school, we see evidence of the pride our children, faculty, and families take in their school. The Sandlapper Garden, a student-created ecosystem, is visible from most classrooms. The calming effects of classical music played throughout the day contribute to the success the students have in writing, artwork, and musical compositions. Individual and group projects display evidence of the accomplishments our students have achieved. Our School Improvement Council worked with our faculty to provide clubs on designated Friday afternoons. These clubs allowed the faculty and parents to provide arts, games, and special interest opportunities to our children. Our PTO sponsors Family Activity Nights, a community rodeo, and academic programs not covered by our school's budget.

Teachers in grades K-5 continue to implement the Multiple Intelligences and Core Knowledge-based Discovery School Model. Increased parental involvement was a key piece in this program. Families of students in K-5 were asked to provide 30 hours of service to the school through various opportunities. We are excited about the number of family-service hours that were recorded. We exceeded the 30 hours per family that we requested.

We were thrilled to be recognized as a school meeting all AYP goals. Our children continue to show terrific work on PACT as we strive to move children into proficient and advanced performance categories. To address language arts improvement, we provide Open Court Reading. SRA Corrective Reading was used in grade 3 for students who would benefit. All students in grades 3-5 have been through the Fast ForWord program. Social studies standards are integrated in language arts. A Reading First grant has provided many professional development opportunities for our teachers. Reading resources are plentiful for teachers, students and parents. This training, along with classroom-based reading assessment that measures individual progress throughout the year, is funded through our Reading First Grant. 90.6% of our students in third grade met standard in reading last year. Real-life, hands-on, experienced-based learning is provided in math and science through the Everyday Math program and STC/Foss science kits.

We pride ourselves on being family-friendly and welcoming to students, parents, and the community. Our "Community of Learners" continues to celebrate success in many ways.

Sheri Watson, Principal
Wendy Reinman, School Improvement Council Chairperson
